

## WHO IS FRANK FRANCIS? WHAT DOES HE STAND FOR?

Frank Francis, candidate for mayor, has been a resident of Ogden 24 years and is a property owner. He has been editor of The Standard for years, and the people have read his editorials with deep interest. He has been a consistent proclaimer of the resources of Ogden and a booster for the city. He is for a city lighting system and for a reduction in taxes within the limits of a progressive city.

He is for the reorganizing of the police force and will place the police and fire departments under civil service and take them out of politics.

If elected he will take the people into his confidence. He favors a sewer for the district north of Ogden river, and is for sanitation throughout the city.

Mr. Francis will give to Ogden a non-partisan administration, with fitness the prime qualification of those seeking position.

He has made no promises of appointments.

## CITY COMMISSIONERS REPORT CONCESSION RECEIPTS

The board of commissioners of Ogden have submitted their report of receipts for concessions at Lorin Farr park for the 1919 season as follows:

Ogden City, Utah, October 18, 1919.  
To the board of commissioners of leave to report as follows:  
"Gentlemen: The undersigned beg leave to report as follows:  
"In the matter of the report of receipts for concessions at Lorin Farr park for 1919:

"The receipts paid to Ogden City, for concessions at Lorin Farr park for the season of 1919, which is ten (10) per cent of the gross receipts, amounted to \$2,535.93. Paid monthly as follows:

May, \$327.63.  
June, \$506.48.  
July, \$737.91.  
August, \$630.51.  
Sept., \$329.40.

"By this report it will be seen that over \$25,000.00 dollars worth of business was done at the Lorin Farr park during the summer, and as all ice cream, candy, soda water, etc., that was sold was home product, this money has been kept in the business channels here in Ogden.

"I believe the people are beginning to appreciate having a place of amusement and recreation at home, as so many have taken advantage of it the past season.

"While the \$25,000.00 retained in Ogden may seem a small sum, yet I feel safe in saying that had those who spent their money here gone to other resorts they would have spent from fifty to seventy-five thousand dollars. Very little of which would have found its way back into the channels of trade in this city.

"The \$2,535.93 received by the city will just about pay the expense of upkeep and maintenance, including band concerts, etc., yet more improvements should be made as fast as finances will permit, and as improvements are made the revenue will increase. There is approximately 42 acres in the plot which belongs to the city, and the opportunity is there for the making of one of the finest parks in the country, and one of which the city of Ogden would be proud.

"Respectfully submitted,  
"MILES L. JONES,  
"Superintendent of Parks, Public Property and Public Safety."

**HIS SHIRT TORN TO  
BITS FOR SOUVENIRS**

Wallace Reid, the film star, has a new respect for the opinions of Rudyard Kipling. Despite the fact that he is happily married, the popular favorite has heretofore characterized the statement that "the female of the species is more deadly than the male" as "all bunk." But in his new Paramount picture, "The Latter Day Man," which is coming to the Utah theater tomorrow, Mr. Reid was instructed by Director James Cruze to rush through a mob of some 500 women "extras." Unbeknownst to the star, the ladies have been previously tipped off to tear his shirt into bits for souvenirs, to dive for his neck, and to rush him up in every way possible. According to the story, Mr. Reid has raffish himself off as a husband for a dollar a chance, and the "extras" were the women holding coupons on hand to see that justice was done. When the star started his mad flight, they fell upon him frantically, remembering their orders. He finally reached safety, half his wardrobe missing, his face and arms cut, and his nose bleeding.

"Kipling was right," was Wallace Reid's comment. "A mere man hasn't a chance."

**PARADE THIS EVENING  
IS FOR EVANGELIST  
KRAMER**

Rev. Garver states that Evangelist Kramer is to lead a religious parade this evening, and he says:

"Evangelist Kramer leads in a new religious stunt. He is sure that good rooting at a football game, a baseball game, a political rally is almost spontaneous with most folks. Why not be enthusiastic in the biggest game of them all. The church needs to use a lot of its pent-up energy. Plenty of folks are able to enjoy spending their energies upon the home team. Why not let the young people divert this energy for the Lord?"

Using a large Federal truck, with several large banners with flaming red letters advertising the meetings at the Methodist church, with two bagpipers, a drummer, and with Rev. Garver acting as yell leader, and with plenty of megaphones, the truck will parade up and down the streets of Ogden at 8 o'clock tonight. The following yells will be used:

Who's a hummer? Who's a whiz?  
Kramer, Kramer, Kramer is  
It's no lie; it's no bluff;  
Big Bill Kramer has the stuff.

Who are we, who are we?  
Methodists, Methodists,  
Don't you see,  
Methodists, Methodists, Methodists.

MILES L. JONES

I am in favor of continuing an efficient method in administering city affairs, and inasmuch as the city's bonded interest bearing indebtedness has been reduced twenty-five thousand dollars each year for 1916 and 1917 and \$28,459.78 outstanding warrants and interest of 1915 were paid during the year 1918, I feel that by applying thorough business methods the indebtedness could and should be reduced each year. This I feel could be accomplished and at the same time a reasonable amount of improvement be done including the establishment of more playgrounds and parks for recreation and amusement for the children and citizens of Ogden.

I feel that the people of Ogden are sufficiently acquainted with me that it would not be necessary for me to declare on any particular platform. I want to assure all that if I should be re-elected I will give my entire time, and work to the best of my ability for the advancement and growth of Ogden City and will pledge myself to the equal rights and protection of all and special consideration or privileges to none.
